

Accommodation:

Accommodation may be provided as per availability on chargeable basis with prior request.

Contact Person:
Mr. Hiteshgiri Goswami
[M] +91 95867 36005

Link for Registration:

<https://bit.ly/2HKhsWm>

Registration Fees:

- The Registration fees is Rs. 200/- per Participant
- The Course fee includes Registration kit, Lunch and Refreshment during Seminar

Eligibility Criteria:

UG/PG Students & Research Scholars from Engineering Colleges

Certification:

Certificates will be provided to each participant upon successful completion of programme.

Organizing Committee:

Chief Patron

Shri. Jagdish Halai
Chairman, HJD Institute -Kutch

Patron

Mrs. Kantaben Halai
Vice Chairperson, HJD Institute -Kutch

Advisors

Mr. Hiren Vyas
Administrator, HJD Institute-Kutch

Dr. Kalpana Maheshwari
Principal, HJD Institute-Kutch

Mrs. Rasila Hirani
Institute Coordinator, HJD Institute-Kutch

Important Dates:

- Last Date of Online form filling: 28/08/2019
- Date of Seminar: 30th August 2019 to 31st August 2019

Eminent Speakers:

Sr.	Name	Organization
1	Dr. Sunil Sonigra	Govt. Polytechnic, Rajkot
2	Dr. Nirav Maniar	V.V.P. Engineering College, Rajkot

A TWO DAYS SEMINAR ON ADVANCED MANUFACTURING TECHNIQUES – SCOPE OF INNOVATION IN INDIAN SCENARIO

30th August 2019 to 31st August 2019

Sponsored by GUJCOST, DST, Govt. of Gujarat

Department of Science & Technology
Government of Gujarat

Organized by

Department of
Mechanical Engineering
HJD Institute of Technical
Education and Research, Kutch
Website: www.hjdinstitute.org

About Institute:

HJD Institute of Technical Education & Research-Kutch is the first Self-financed Engineering College in Kutch, managed by Swa. Kanji Karshan Halai Education and Charitable Trust. The Institute was established in 2010 and started its journey with 290 students; at present more than 1200 students are studying in BE, ME and Diploma courses. Recently the Institute is awarded as “Best Technical Education Campus in Gujarat”.

The Mechanical Engineering Department of HJD Institute-Kutch is affiliated with GTU, aims to provide a bridge between the latest Technology and the students eagerness to acquire the knowledge. The Mechanical Engineering Graduates are the backbone of today’s present and emerging world.

Programme Coordinator:

Mr. Vishal Bhimani
Head, Mechanical Engineering Department

About Seminar:

Advanced manufacturing is about innovating products and processes in the manufacturing cycle to operate more effectively. Advanced manufacturing incorporates the full suite of activities from the concept, research and development and design stages all the way through to post-sales services. It is about increasing value to the assembly line, and it is particularly about verifying a spot in the worldwide supply chain. In the course of the last 50 years, probably the most exceptional changes to the industry have been a consequence of redeployment of manufacturing skills in the global market. Hence, it becomes an essential need to make students aware of the research done in the area of Manufacturing.

The proposed Seminar aims at bringing academicians of similar interests on a common platform to share their experience, expertise, and knowledge in the field of Manufacturing. This Seminar will certainly ignite the minds of the younger generation and will include them towards undertaking research for technology upgradation.

Seminar Highlights:

- Non-Traditional Manufacturing Processes
- Additive Manufacturing
- Robotics
- Automation
- Smart Manufacturing

Registration Form:

**HJD Institute of Technical Education
and Research**
