1. Introduction: An Industrial visit for Degree as well as Diploma students of Electrical, Mechanical, Computer and Civil Engineering was organized at Adani Power, Adani Port and Adani Wilmar Pvt. Ltd. at Mundra (Kachchh) in connection with the the program UDAAN organized by Adani Foundation. The **43** nos. of students and **01** teacher, who participated, found this visit very interesting.

2. Objective of Visit: The major objective behind organizing such trips is to encourage the students mind to develop an interest in all sorts of enterprises, and to encourage them to dream big in life. “UDAAN” program is organized to keep in mind that young students when given exposure; it helps them understand their own potential and get motivated to work towards the same.

3. About Company & product: **Adani Group** is an Indian multinational conglomerate company spread all over the country. It includes in Power producing sector, Logistics business, Agri Field and Energy sector. In Kachchh there is a 4620MW power plant located at mundra. Apart from that for the logistic business huge Port is established in Mundra named as Adani Port & SEZ ltd. There is edible oil refinery situated in Mundra named as Adani Wilamr.
