Computer Engineering Department
INDUSTRY VISIT REPORT

Date: 23-08-2017

On the 23rd August 2017, The Computer Engineering Department of HJD Institute of Technical Education & Research, Kera arranged the Technical Visit at Silverwing Technologies at Ahmedabad for the 3rd, 5th and 7th semester students.

Silverwing Technologies provides global Software Solutions and their affiliated undertakings. They have an offshore Development Team in Ahmedabad, India. They are engaging their business activities in US and in Gulf countries through own branch. Additionally, they have done several Indian Government projects too. Silverwing Technologies Pvt. Ltd. has been in collaboration with state government to automate several government processes like construction, water supply, drainage system and also developed a product for the state government to automate admission system.

In visit there were two session taken by the employees of the silverwing. Mr. Sachin sehgal addressed the student group and after that technical session started. Employee were well versed with the technical knowledge, this helped students to understand the real scenario of IT firms and how actually the industries work. Visit lasted for 3 hours and employees of silverwing promised to come over to HJD-Iter for workshops/seminars.
